Next Learning Assessment Task: Teacher Outline

Assessment Task – Written News Report (Year 6)

Task: To write a news report on a recent event within our school.

Instructions

Part A: Plan Report
- Plan a report using the template;
- Choose vocabulary to (1) write about specific details and (2) enhance cohesion.

Part B: Draft Report
- Draft the news report on lined paper and use editing checklist to improve writing.

Part C: Publish Report
- Write good copy of news report with supporting image.

Marking Guide

GRADE	Knowledge & Understanding (Productive)		Skills (Creating Texts)
	Show how specific details can be used to support a point of view	Create detailed texts elaborating on key ideas for a range of purposes and audiences	Demonstrate an understanding of grammar and make vocabulary choices to enhance cohesion and structure. Use accurate spelling and punctuation for clarity and make editorial choices based on criteria
A	• Show how specific details can be used to support a point of view. These include language features such as precise formal and objective language, detailed information, direct and indirect quotes used to provide clear communication about the topic to inform their audience. Images with captions are used to enhance meaning.	• Create a detailed news report elaborating on supplied photos, videos and witness statements to inform the school community of a recent event including recognising and exploiting audience susceptibilities.	• Understands and uses complex sentences to elaborate and extend ideas. Repeats key words or uses synonyms to enhance cohesion in a news report. • Self-regulates spelling and applies spelling knowledge and strategies to spell complex and subject specific technical vocabulary correctly. • Uses a range of editing strategies to improve clarity and consistency of style.
B	• Show how specific details can be used to support a point of view. These include language features such as formal objective language, factual information, direct quotes and images with accurate captions are used to enhance meaning and provide clear communication about the news report.	• Create a detailed news report elaborating on supplied photos, videos and witness statements to inform the school community of a recent event, intentionally selecting a variety of images and techniques to reinforce ideas.	• Understands and uses a range of sentence types to explain ideas. • Effectively uses technical topic-specific vocabulary throughout text to enhance cohesion and meaning. • Integrates a range of spelling strategies and conventions to accurately spell most words, including complex words. • Uses editing strategies to improve consistency.
C	• Show how specific details can be used to support a point of view. These include language features such as objective language, factual information, 5W's, direct quotes and an image with a caption used to illustrate the topic of the news report.	• Create a detailed news report elaborating on supplied photos, videos and witness statements to inform the school community of a recent event.	• Understands the use of tense when writing about events that have occurred in the past and makes considered vocabulary choices to develop cohesion in a news report. • Accurately applies known spelling patterns and rules and spells simple, most complex and some challenging words correctly.
D	• Show how details including language features such as factual information, direct quotes and an image are used to support a point of view.	• Create a news report based on supplied photos and videos to inform the school community of a recent event.	• Uses topic sentences and learnt words appropriately to organise main ideas. • Applies knowledge of generalisations, meanings of base words and word parts (prefixes and suffixes) to spell some new words.
