Steven Moncrieff

Dear Mr Moncrieff

Approval of your working with children check application

Your working with children check application has been approved. Your blue card is attached and includes the following details:

Card number: 2427678/1
Expiry date: 22-Apr-2027 (unless cancelled earlier)
Card type: 'V' (means volunteer blue card)

You must keep this card until it expires. If we suspend or cancel your card, you must return it to us.

You are required to tell us within 14 days if:

- you no longer work with children
- you change your name, address or contact details
- your card is lost or stolen
- you begin working or volunteering with children in a new or additional organisation, or
- you change from volunteer to paid work with children.

We receive daily updates of changes in police information for all working with children check applicants and card holders. You must immediately advise us if your police information changes.

See our website www.qld.gov.au/bluecard for forms, information about your obligations as a card holder, and for specific obligations that apply to business operators and exemption card holders.

Thank you for your support in working together to keep kids safe.

Yours sincerely

Michelle Miller
